

# Helen's Christmas Message

As we say goodbye to 2022, I would like to take this opportunity to wish you all a Merry Christmas and safe and happy new year.

Christmas for me is a time of great joy.

Spending time with family and friends, working in my garden, riding my horses and fitting in a bit of farm work.

For many of you 2022 has been extremely challenging, following on from COVID and now flooding- we are hoping for a bigger and better 2023, with a little less rain and lot more sunshine.

Over the new year period I will be travelling across the electorate, and I am looking forward to getting out into the community and meeting and talking to as many of you as possible.

While the last few years have been particularly tough, I do look forward to 2023 and the many good things it will bring.

Helen Dalton MP  
Member for Murray

## Unprecedented flooding

So many people across Murray have lost homes, infrastructure, livestock, fodder and crops and will have to deal with the ongoing consequences of lingering water for some time to come.

My office has been overwhelmed with calls for help, but communities have banded together to tirelessly support friends, family and neighbours.

We have been heartened by the wonderful stories of people helping each other, from innovative livestock rescues involving small rural communities to all night sandbagging.

Please take care and look after yourselves.

Scan the QR code for more  
information on flooding.

★ & ★  
HAPPY NEW YEAR

# Out and about in Murray

- Deni Ute Muster was a great success, looking forward to next year.

- Wentworth Show - 'Best Rural Show' more than 10,000 people in attendance over 2 days. Everyone loving it, congratulations to all involved. A pleasure to be there with you and meet so many constituents.

- Thanks to Murray Irrigation for the tour of the MIL area.

- The Isolated Children's Parents Assoc (ICPA) meeting in Hatfield - great day of conversations with amazing 'salt of the earth women'. Understanding rural issues, transport, health, roads and education and digital connectivity to name but a few.

- Helen checking out the floods at Wallanthery.

- Head over heels for Murray.
